

CONCERNING THE "SUPER MASTERS" PLAY INSTRUCTION SHEET

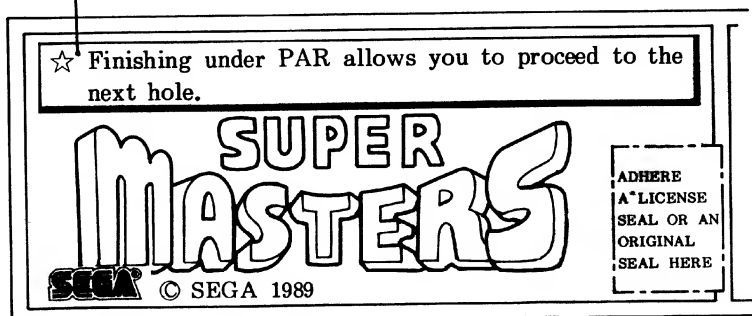

In the "SUPER MASTERS," the contents of the game will vary due to the DIP SW settings. When No. 4 of DIP SW #2 is turned "OFF," the "CREDIT SYSTEM" applies. When it is turned "ON," the "BALL ALLOTMENT SYSTEM" applies. Therefore, depending on the contents of the game, the PLAY INSTR SH varies. In the "CREDIT SYSTEM," use the one which displays "Finishing under PAR allows you to proceed to the next hole." In the "BALL ALLOTMENT SYSTEM," use the one which displays "When no more balls remain on the screen, the game is over" (refer to the following illustrations).
